

REPUBLIC OF VANUATU

BILL FOR THE COPYRIGHT AND RELATED RIGHTS (AMENDMENT) ACT NO. OF 2020

Explanatory Note

This Bill amends the Copyright and Related Rights Act No. 42 of 2000 (“the Act”).

The Act is amended to align with obligations under the treaties administered by the World Intellectual Property Organization (“WIPO”). In particular, some terms are added to and some terms are repealed from the Act and new terms are substituted to reflect the terms used in the WIPO treaties.

The amendments also include registration of ownership of work. Currently, the Act does not have provisions for the registration of work so it is difficult to identify the owner of a work, and to enforce the rights of an owner when there is an infringement. A further issue identified in relation to works such as songs, books, paintings, drawings, carving, videos and works of traditional knowledge are being reproduced, distributed, rented and sold without the consent of the rightful owners. Therefore, these amendments are to strengthen the Act to include the provisions for the registration of a work, to ensure all records of the personal details of the owners and their works are kept in a registry.
